ERRATA

On September 15, 2009, the Commission issued an order in Case No. U-15804 after Alpena Power Company applied for review and approval of unsolicited renewable energy credit contracts, for *ex parte* approval of a contract with Consumers Energy Company. The order contains several minor errors that need correction.

1. The first sentence of the first full paragraph on page 2 of the Commission's September 15, 2009 order in Case No. U-15804 contains an incorrect term for the renewable energy credit contract. As corrected, the sentence reads:

Alpena represents that the ~~20~~- 15-year contract beginning on August 4, 2009 involves the provision of the bulk of renewable energy credits as required by Act 295.

2. The third sentence of the first full paragraph on page 3 of the Commission's September 15, 2009 order in Case No. U-15804 contains an incorrect term for the renewable energy credit contract. As corrected, the sentence reads:

With regard to subsection (b), the ~~20~~- 15-year contract term provides Alpena customers with an adequate source of renewable energy credits for a reasonable time.

3. The fourth sentence of the first full paragraph on page 3 of the Commission's September 15, 2009 order in Case No. U-15804 contains an incorrect term for the renewable energy credit contract. As corrected, the sentence reads:

With regard to subsection (c), the possibility of this activity will not occur until the end of the ~~20~~- 15-year contract term.
